EMBODIMENT

Model	Description
QUADRONIUS	Not only suitable for typical application areas, such as high bay storages, industrial halls and production halls, but also for limited areas of animal keeping as well as food industry. Special versions for unprotected outdoor areas, swimming halls and sport facilities are available.
QUADRONIUS INDUSTRY	The industry market has even higher expectations. Thanks to industry components that's no problem.
QUADRONIUS HT	Particularly suitable for extremely hot surroundings. Thanks to its optimized structure this high bay spotlight withstands ambient temperatures up to +75°C.
QUADRONIUS XLS	Control, sensor or spectral lighting solutions are also available for QUADRONIUS. This also allows very special requirements to be mastered.
